

The **Ministry Support Fund (MSF)** supports the essential administrative and ministry needs that help continue Scripture printing and distribution across India.

MINISTRY SUPPORT FUND
Empowering Our Mission

The Gideons
International in India

Why MSF is Important

Through the Scripture Fund, millions of Scriptures are printed and placed into waiting hands. But every Scripture distributed is supported by many unseen ministry efforts that make it possible.

The Ministry Support Fund helps support member training, leadership support for ministry expansion, National Headquarters operations, field support to camps, compliance management, technology upgrades, media services, communication, publications, meeting arrangements, and key ministry gatherings such as State and National Conventions, State Cabinet Meetings, Regional Team Meetings, and Area Team Meetings.

At present, only about 50% of the Administrative expenses are met through membership fees. That is why the Ministry Support Fund is important in strengthening and sustaining the ministry.

Through MSF, TGII is prayerfully moving toward self-sufficiency in its Administrative needs.

MSF helps the ministry grow and continue reaching souls through God's Word.

Support MSF Today

Every contribution helps strengthen the ministry behind Scripture distribution.

When we support the ministry together, more lives can be reached with God's Word.

- Support MSF regularly
- Give prayerfully as God leads you
- Not by compulsion, but with a willing and joyful heart

“God loves a cheerful giver.” 2 Corinthians 9 : 7

Come, be part of what God is doing in India.

Together, let us strengthen the ministry that helps place God's Word into waiting hands and reach souls across India.

You may contribute:

- **Regularly every month**
- **Through a one-time offering**
